- (n) any material indebtedness of the Issuer is not paid when properly due or becomes properly due and payable or any creditor of the Issuer (as the case may be) becomes entitled to declare any such material indebtedness properly due and payable prior to the date when it would otherwise have become properly due or any guarantee or indemnity of the Issuer in respect of indebtedness is not honoured when properly due and called upon; PROVIDED THAT for the purposes of this provision, material indebtedness shall mean an amount exceeding €3,000,000 (three million Euro) which is declared as due in terms of an executive title which is final and not appealable. The Issuer undertakes to inform the Security Trustee upon an occurrence of material indebtedness under this article;
- (o) the Issuer or Security Provider repudiates, or does or causes or permits to be done any act or thing evidencing an intention to repudiate the Bonds and/or the Trust Instrument; or

contemplated by this proviso, the Security Trustee shall at all times act on and in accordance with any Bondholders' Decision. The Security Trustee shall not be bound to take any steps to ascertain whether any event of default or other condition, event or circumstance has occurred or may occur, and, until it shall have actual knowledge or express notice to the contrary, the Security Trustee shall be entitled to assume that no such event of default or condition, event or other circumstance has happened and that the Issuer and Security Provider are observing and performing all the obligations, conditions and provisions on their respective parts contained in the Prospectus, the Tranche 1 Final Terms, the Deeds of Hypothec and the Trust Instrument.

- (4) To make any requests and/or payments in order to assist the Issuer in covering any Shortfall.

8. Security Provider's Rights and Obligations in relation to the Secured Asset

- (1) The Security Trustee shall permit the Security Provider, to hold and enjoy the Secured Assets and to develop further and make improvements to the Secured Assets in line with its current use subject to any limitations contained in the Trust Deed.
- (2) The Security Trustee acknowledges and accepts that the Secured Assets and any part thereof are currently being operated by the Security Provider and shall continue to be so operated.
- (3) At any time before the Security Interest becomes enforceable and the Security Trustee shall have determined or become bound to enforce the same, the Security Trustee may at the cost and request of the Security Provider, and with due regard to the interests of all the Bondholders, do or concur with the Security Provider in doing all or any of the things which the Security Provider might have done with or in respect of the Secured Assets had not this security been created, upon such terms or for such consideration or in any such manner as is herein mentioned, and having due regard to the interests of the Bondholders as it shall think fit.*

8A. Removal or Change and Swap Security

- (1) The Issuer may request the Security Trustee to release and discharge a Security Interest over a Secured Asset (the "Discharged Security").
- (2) The Security Trustee may accept and approve the release and discharge of a Discharged Security under Condition A or Condition B or Condition C:-

Condition A

- (a) following a revaluation of the Secured Assets, their value (excluding the value of the Discharged Security) shall be at least at 123% of the value of the outstanding Bonds;

Provided that the establishment of the value of a relevant property for purposes abovementioned shall be determined by an independent architect appointed by the Security Trustee, in consultation with the Issuer, whose valuation shall be deemed conclusive. By way of explanation, the Issuer may request (and the Security Trustee may accept and approve) the release and discharge of a Secured Asset from the Security Interest should, following a revaluation of the Secured Assets, the value of the Secured Assets making up the Security Interest remains at least at 123% of the value of the outstanding Bonds despite the removal (without replacement) of one or more of the Secured Assets from the Security Interest.

Condition B

- (a) a first ranking special hypothec over an alternative property (the “**Alternative Security**”) shall be given in favour of the Security Trustee for the benefit of the Bondholders in accordance with all and any terms and conditions for the creation and maintenance of a Security Interest as may be set out in the Deeds of Hypothec, Prospectus, or this Trust Instrument; and
- (b) the grantor of such Alternative Security shall agree to be bound by the Prospectus, the Tranche 2 Final Terms and the Trust Instrument and shall enter into a Deed of Hypothec for the purpose of binding itself to terms and conditions which are equivalent to those provided in the Deeds of Hypothec; and
- (c) the value of the Secured Assets (excluding the value of the property constituting the Discharged Security but including the value of the property constituting the Alternative Security) shall be at least at 123% of the value of the outstanding Bonds;

Provided that the establishment of the value of a relevant property for purposes abovementioned shall be determined by an independent architect, appointed by the Security Trustee, whose valuation shall be deemed conclusive. The Security Trustee shall be entitled to rely solely on such valuation without incurring any liability for so doing.

Condition C

- (a) the value of the Secured Assets (excluding the value of the property constituting the Discharged Security) and the proceeds received from the sale of the Discharged Security (the “**Disposal Proceeds**”) not otherwise used by the Issuer to buy Bonds on the open market shall be at least at 123% of the value of the outstanding Bonds; and
- (b) the required portion of the Disposal Proceeds shall be settled on trust in favour of the Security Trustee and deposited in the Collateral Account. For the avoidance of doubt, only that part of the Disposal Proceeds that is required in order to ensure that the Secured Assets and Disposal Proceeds are at least at 123% of the value of the outstanding Bonds shall be deposited in the Collateral Account. Any surplus may be retained by the respective seller.

The Security Trustee retains the right to substitute the Secured Asset with another immovable property owned by the Group, subject to an architect’s independent valuation report confirming that the value of the immovable property to be given as security instead of the Secured Asset is at least equal to the value of the Secured Asset.

The Security Provider, subject to the Security Trustee’s written consent, shall have the right to sell the Secured Asset or part thereof, prior to the Maturity Date (as the case may be) to pay the Redemption Price; provided that all proceeds from the sale of the Secured Asset shall be held

by the Security Trustee to be used by the Issuer to settle on the Maturity Date (as the case may be).

(3) The Security Trustee reserves the right to demand further Security owned by the Group as security should at any given time the value of the Secured Asset, which shall be determined pursuant to a professional valuer's independent valuation report, by an independent valuer to be appointed by the Issuer or the Group at the request and/or with the consent of the Security Trustee, be lower than the Redemption Price of outstanding Bonds in issue at the relevant time.

9. Remuneration of the Security Trustee

- (1) During the continuance of this Trust Deed the Issuer shall pay to the Security Trustee in respect of its services as security trustee remuneration according to the fee letter signed by the parties. The Issuer shall in addition pay all reasonable costs, charges and expenses which the Security Trustee shall properly incur in connection with the execution of the trusts hereof and the exercise of the powers and discretions hereby vested in it together with interest thereon as hereinafter provided. The said remuneration and costs (if any) shall continue notwithstanding that a receiver shall have been appointed or that the trusts hereof shall be in course of administration by or under the direction of the court. All remuneration costs, charges and expenses due to the Security Trustee or to any receiver appointed by them shall be payable upon demand and pending payment shall carry interest at the rate of 5% *per annum* from the due date².
- (2) The Security Trustee may retain and pay to itself out of any monies or proceeds of the Security in its hands upon the trusts of this Trust Deed, all sums owing to it in respect of remuneration and costs charges and expenses, or by virtue of any indemnity from the Issuer to which it is entitled hereunder, or by law or by virtue of any release or indemnity granted to it, and all such sums as aforesaid shall be so retained and paid in priority to the claims of the Beneficiaries.

10. Default, Acceleration and Enforcement

- (1) The Security Trustee may in its absolute discretion and shall, if so requested in writing by the holders of at least seventy five (75) per cent in nominal value of the Bonds outstanding, give notice in writing to the Issuer and the Security Provider that the Bonds are due and repayable if an Event of Default shall have occurred and be continuing; PROVIDED THAT in the event of any breach by the Issuer or the Security Provider of any of the covenants, obligations or provisions herein contained due to any fortuitous event, beyond the control of the Issuer and/or Security Provider, then the Security Trustee may, but shall be under no obligation so to do, give the Issuer and/or the Security Provider such period of time to remedy the breach as in its sole opinion may be justified in the circumstances and if in its sole opinion the breach is remediable within the short term and without any adverse impact on the Bondholders. Provided that in the circumstances contemplated by this proviso the

Security Trustee shall at all times act on and in accordance with any directions it may receive in a Meeting of Bondholders.

- (2) An Event of Default is continuing if it has not been waived or if it has not been remedied within the period stipulated for its remedy.
- (3) The Security Trustee shall not be bound to take any steps to ascertain whether any Event of Default has occurred or may occur, and, until it shall have actual knowledge or express notice to the contrary, the Security Trustee shall be entitled to assume that no such Event of Default has happened and that the Issuer and the Security Provider are each observing and performing all the obligations, conditions and provisions on their respective parts contained in the Bonds and the Trust Deed (as applicable).

11. Security

- (1) In warranty of the proper observance by the Issuer of all the covenants and obligations undertaken by it in the Bonds and in particular in warranty of the Bond Obligations, and all other monies intended to be thereby secured, the Security Provider shall constitute the the Security in favour of the Security Trustee for the benefit of the Bondholders in accordance with this Trust Deed.

12. Payment Obligations of the Security Trustee

- (1) All payment and other obligations to the Bondholders under the Bonds shall be the exclusive obligations of the Issuer and save for what is stated in paragraph (2) of this clause, the Security Trustee shall not have, and nothing herein contained shall be construed as creating or otherwise acknowledging, any obligation on the part of the Security Trustee in favour of the Bondholders for any payments that may fall due under the Bonds.
- (2) All Security Interest held by the Security Trustee shall be held by the Security Trustee (subject to any prior ranking claims thereon) upon trust to apply the same in case of an Event of Default that has occurred and is continuing, for the following purposes and in the following order of priority in payment of:
 - (a) all costs, charges, expenses and liabilities incurred and payments made in or about the exercise of the trust in relation to this Trust Deed by the Security Trustee including all remuneration payable to the Security Trustee with interest thereon, as hereinafter provided;
 - (b) all costs incurred and payments made by the Security Trustee in relation to the enforcement of the Security, including but not limited to any costs incurred by the Security Trustee in the filing of legal proceedings for the enforcement of the Security, whether such costs are directly or indirectly related thereto;
 - (c) the interest owing upon the Bonds *pari passu* and without any preference or priority;
 - (d) the principal amount owing upon the Bonds *pari passu* and without any preference of priority; and

- (e) payment of the surplus (if any) to the Issuer or other person entitled to it.
- (3) Where the Security Trustee has enforced the Security, the Security Trustee shall give to Bondholders at least ten (10) days' notice of payment of the Bonds and shall indicate in such notice the manner in which the redemption of the Bonds shall be made.
- (4) The Security Trustee shall be entitled at its discretion to withhold payment of any monies due to be distributed to any Bondholders. Any monies the payment whereof is for the time being withheld by the Security Trustee pursuant to this clause shall be placed by it at the risk of the person or persons entitled thereto in an account with a bank in Malta and shall not carry interest while such monies are being withheld (save any interest allowed on the account in which such monies are placed). The receipt of the Bondholder of any monies paid by the Security Trustee in respect of the Bonds shall be a good discharge to the Security Trustee for those monies.

13. Meetings of Bondholders

- (b) write to all Bondholders to request their views;
- (2) The Security Trustee shall not be liable for any action it may deem necessary to take prior to acting in accordance with this Clause 13 and the Security Trustee shall not be bound to act on behalf of Bondholders under this Trust Instrument unless it receives a properly authorised Bondholders' Decision as stipulated in this Trust Instrument. Nothing in this Trust Instrument shall be construed as meaning that the Security Trustee is bound to act in the manner specified in this Clause unless so required by this Trust Instrument.
- (3) The Issuer may at any time, and at its own cost, request the Security Trustee to convene a meeting of Bondholders in accordance with this Clause 13.
- (4) A meeting of Bondholders may also be convened by the Security Trustee on the requisition of Bondholder(s) holding in aggregate, at the date of deposition of the requisition with the Security Trustee, not less than 10% of the nominal value of the Bonds outstanding at that time.

Such requisition under this Clause 13.4 shall state the objects of the meeting and shall be signed by the requisitioner(s) and deposited at the registered office of the Security Trustee, and may consist in one document signed by all the requisitionists or in several documents in like form each signed by one or more requisitionists.

- (5) A meeting of the Bondholders shall be convened by the Security Trustee as at a date being not more than thirty (30) days preceding the date scheduled for the meeting, giving not less than 14 days' notice in writing to all Bondholders listed on the Register of Bondholders (as per the details set out in the said Register of Bondholders)

Such notice shall set out the time, place and date set for the meeting and the matters proposed to be discussed or voted on the threat. The notice shall also explain how Bondholders may appoint proxies.

PROVIDED that where a meeting is to be convened pursuant to Clause 13.4, if the Security Trustee does not within twenty one (21) days from the date of the deposit of the requisition proceed to duly convene a meeting, the requisitionist(s) may proceed to convene a meeting in the same manner, as nearly as possible as that in which meetings are to be convened by the Security Trustee, but a meeting so convened shall not be held after the expiration of three (3) months from the date of the deposit of the requisition. Notwithstanding the provisions of Clause 13.3. for a meeting convened by the requisitionists, the Bondholders shall appoint a person to act as chairman to the meeting by simple majority from amongst their number present for the meeting.

- (8) A meeting of the Bondholders shall only be validly constituted and shall only properly proceed to business if there is a quorum present at the commencement of the meeting. For this purpose, two (2) or more Bondholders present (in person or by proxy) and holding or representing not less than fifty percent (50%) in nominal value of the Bonds then outstanding, shall constitute a quorum.

If a quorum is not present within 30 minutes from the time scheduled for the commencement of the meeting as indicated in the notice convening same, the meeting shall stand adjourned to the same place, date and time in the next week, or to such other date, place and time as the chairman of the meeting may decide and if at the adjourned meeting a quorum is not yet present within thirty (30) minutes from the time appointed for the meeting, the Bondholders present shall constitute a quorum.

For the purposes of an adjourned meeting, the Security Trustee shall not be required to send notices anew, provided that the Security Trustee shall within two (2) days from the date of the original meeting procure that the Issuer publishes by way of company announcement the place, date and time when the adjourned meeting is to be held.

- (9) The chairman of a meeting of the Bondholders in terms of Clause 13.1 shall be a director of the Security Trustee or such other person as the Security Trustee may nominate in writing from time to time. - (10) Once a quorum is declared present by the chairman of the meeting, the meeting may then proceed to business and address the matters set out in the notice convening the meeting.
- (11) Each matter submitted to the meeting shall be decided by show of hands unless a poll is (before or following the result of a show of hands) demanded by the chairman or three (3) Bondholders in person or in proxy.

Every Bondholder shall have one vote for each Bond held and any fractional interests shall be disregarded. Voting, whether on a show of hands or on a poll, shall be taken in such manner as the chairman of the meeting shall direct.

Unless a poll be so demanded, a declaration by the chairman that a decision has been carried on a show of hands shall be entered into the minute book which shall be conclusive evidence of the decision without need for the proof of the number or proportion of the votes recorded in favour of or against the decision.

- (12) Any vote to be taken at a meeting (except for election of a chairman as herein contemplated) shall only be decided on by a Bondholders' Decision, that is, a resolution passed by Bondholders during a Bondholders Meeting holding not less than seventy-five per centum (75%) in nominal value of the Bonds then outstanding.
- (13) A Bondholders' Decision passed at any meeting shall be binding on all Bondholders whether or not present at the meeting and whether or not voting and each of them shall be bound to give effect to it accordingly.

16. Removal or Retirement of Security Trustee

- (1) Without prejudice to the provisions of Article 20(2)(a) of the Act, the Security Trustee may retire at any time on giving not less than three (3) months prior written notice to the Issuer without assigning any reason. The Bondholders shall have the power exercisable by a resolution of Bondholders passed by not less than seventy-five per cent (75%) in nominal value of the Bonds outstanding to remove the Security Trustee. The Issuer undertakes that in the event of the Security Trustee giving notice under this clause or being removed under this clause, the Issuer will use all reasonable endeavours to procure a new trustee to be appointed.
- (2) The costs of the transfer of the Security Interest shall be borne by the Issuer except in the case where the Security Trustee resigns for capricious and frivolous reasons. Once a Successor Trustee is appointed, the Security Trustee shall, at the Issuer's cost, make available to the Successor Trustee such documents and records and provide such assistance as the Successor Trustee may reasonably request for the purpose of performing its functions as the security trustee of the Security Interest for the benefit of the Beneficiaries.
